

Building the conditions that create value

Leaders are responsible for the conditions that allow team members to succeed

While some conditions seem universal, like providing clear direction and support, leaders must avoid feel-good phrases and intentionally identify the conditions that make the most sense for their team. The way to be intentional is being able to answer, how do you know these are the right conditions for your team?

Steps to building the conditions that create value

Fill in each question/statement as specifically and in-depth as possible.

Define the conditions that your team needs to create value	
How do you know these are the correct conditions?	
Prioritize which condition will create the greatest value	
How do you know?	
What is the next step to implement the most critical condition for your team?
